BrilliantStep™ Logo Matting

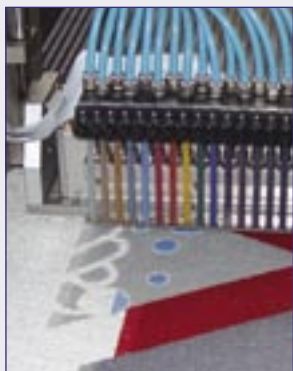

When it comes to first impressions, you only get

Category Info

- This truly high quality multi-functional Dust Control Mat not only cleans and dries shoe-soles to prevent dirt and moisture being tracked into facilities, it also provides an excellent opportunity to address safety issues because most people primarily look to the floor.
- Superior colours fastness is ensured, in accordance with DIN54006. We work with 16 standard PMS colours, whereby any other colour can be matched. BrilliantStep™ offers a state-of-the-art technology that even allows 3-dimensional effects, fine lines and colours shading, for each mat to have its truly individual customized image.
