Non-slip and self-draining design

Hidden interlocking connectors, seamless look.

Hygienic

Lagune is treated with an anti-microbial additive for protection against the growth of mould, mildew, fungi and odour-causing germs. Lagune is designed to prevent the development and growth of bacteria and it resists also body oils and chemicals.

Non-slip and safe surface

Lagune offers exceptional drainage and comfort all in a modular mat. Curved design of the surface promotes immediate drainage. Unbacked construction allows water to pass through the mat, providing safe and dry surface. The soft and resilient non-slip knobs on the surface of the mat provide comfortable cushion for bare feet.
